

MEMBERSHIP GUIDELINES

Mission Statement:

The mission of the Chamber's Ambassador Program is to serve as goodwill representatives for the Arlington Chamber of Commerce by welcoming and soliciting new members at various complimentary Chamber events, member functions, ribbon cuttings and grand openings. In addition, the Ambassadors welcome new members and encourage participation in Chamber activities.

Qualification Period for Prospective A-Team Members

Being an A-Team member means participation. To qualify, you need at least 6 months of active participation in Chamber events and attend a new member orientation. Prospective A-Team members who have participated in an orientation and made a good faith effort to attend a majority of Chamber events but have not met minimum qualifying tenure may also be considered for inclusion on the A-Team. Requests will be considered by A-Team Leadership and must be approved by a simple majority vote. Votes can be cast electronically via email.

To maintain your membership, participants must be and remain a member in good standing with the Arlington Chamber of Commerce (must not be delinquent/past due of their Chamber investment/dues), and must annually attend a member orientation.

The Vice-Chair will assist prior to events by calling/emailing event reminders, meeting reminders, and other duties as needed.

Recognition

There will be a monthly “Outstanding A-Team Member(s)”. Criteria for this will be greatest participation for the period, as well as, a weighted vote from active A-Team members.

The Annual “Outstanding A-Team Member(s)” will receive prominent recognition for themselves and their business on the chamber website, a plaque acknowledging their value to the chamber and recognition on the program guide at the Annual Dinner.

General

Red name tags should be worn at every Chamber event. If you have your own nametag with your business logo on it, you may wear this as well, but all A-Team should wear their red name tags.

Members will receive their initial red badge free of charge. Members who require a replacement for lost, stolen, or misplaced badges will be charged \$10 per incident.

If A-Team members reach an extraordinary busy period in their business (such as CPA’s during tax season, new promotion, temporary business assignments outside the area, etc.) then members may take up to a 90-day “leave of absence” without this counting against them.

There will be individual recognition on the Chamber Website for members of the A-Team and their companies.

Members who fail to take an active role in BOBs, BAHs, ribbon cuttings and who fail to request a leave of absence will be evaluated for continued participation in the A-Team. Participants who wish to continue their affiliation will be given an opportunity to explain any extenuating circumstances to A-Team leadership before any action is taken. Members granted a reprieve will be placed on a 3-month probationary period and re-evaluated at the end of that quarter. A 2/3 majority vote from A-Team Leadership will be required to remove any members from A-Team Participation.

All issues and/or decisions will be decided by the coordinator, the Chair, & the Vice-Chair collectively.
